FINDING MY PLACE IN GOD'S STORY

Our focus for 2020 is on understanding God's story, from creation until our current time. As a church, we'll explore this story through the Bible, through church history, and through our own stories. We'll explore who God is, how he has worked through human history, how he continues to work in our present day, and how he has made each of us to play a unique role in the world.

This journal is a place for you to reflect on what you read and hear weekly in church through sermons, Scripture, worship, and prayer. Over time, we hope you'll notice patterns in God's story and in your own story that bring you to a fuller understanding of both. Each page contains **READ, PRAY, OBEY** questions that you can use to structure your time of reflection. These are optional only! Feel free to write, draw, keep clippings - whatever will help you pay attention to how God is moving in your life.

As you listen to the Holy Spirit and to the responses of your own spirit, keep asking yourself:

What has God done? What is God continuing to do? What is God doing with me?
And what might God be inviting me to do as I step into a deeper knowledge of his calling on my life?

Read: What is one verse, word, or phrase that stands out to you? What thought or idea do you sense God calling you to pay attention to?

Pray: How does God want to speak to you specifically about what you have read and heard? Is there anything you would like to say to God in response?

Obey: What is one concrete action God might be calling you to take in this coming week?
